Dear Sir/Madam,

RE: INDUSTRIAL ATTACHMENT

It is recommended that students must spend time in industry to familiarize themselves with the practical applications in their areas of specialization (computer/information technology)

In line with the above, we kindly request you to assist **MR.WASHINGTON OMONDI** Registration No. **SCEE/02934P/2018** in your organization for the mentioned area of field attachment. **MR.WASHINGTON OMONDI** has been pursuing a three year Diploma of Technology in Computer Technology (**SCEE/2018**) course since the year 2018 in the School of Computing and Information Technologies and currently he is in the third year third semester of his study. The industrial attachment takes 12 weeks.

Areas of interest include:

Network Design, Installation and configuration Practical	Database Administration and Security
Hardware & Software Installation & Configuration Practical	Network Administration & Security
Network Routing & Configuration Practical	Management Information Systems
Electrical Installation Technology II Practical	Mobile Applications
Software Development Practical	Information Systems Security
Computer Hardware Servicing, Maintenance & Assembly Practical	Software Technical Support
Web Design & Development Practical	Hardware Technical Support
Office Automation Systems	Office & Information Management

Any assistance accorded to him will be appreciated.
